Disclaimer

The information contained in the Document is for general information purposes only.

The Company assumes no responsibility for errors or omissions in the contents of the Document.

In no event shall the Company be liable for any special, direct, indirect, consequential, or incidental damages or any damages whatsoever, whether in an action of contract, negligence, or other torts, arising out of or in connection with the use of the contents of the Document. The Company reserves the right to make additions, deletions, or modifications to the contents in the Document at any time without prior notice.

Errors and Omissions Disclaimer

The information given by the Document is for general guidance on matters of interest only. Therefore, errors can occur even if the Company takes every precaution to ensure that the Document's content is current and accurate. Plus, given the changing nature of laws, rules, and regulations, there may be delays, omissions, or inaccuracies in the information contained in the Document.

The Company is not responsible for any errors or omissions, or for the results obtained from the use of this information.

Fair Use Disclaimer

The Company may use copyrighted material that the copyright owner has not explicitly authorized. The Company is making such material available for criticism, comment, news reporting, teaching, scholarship, or research.

The Company believes this constitutes a "fair use" of any such copyrighted material as provided for in section 107 of the United States Copyright law.

If You wish to use copyrighted material from the Document for your own purposes that go beyond fair use, You must obtain permission from the copyright owner.

"Use at Your Own Risk" Disclaimer

All information in the Document is provided "as is", with no guarantee of completeness, accuracy, timeliness or of the results obtained from the use of this information, and without warranty of any kind, express or implied, including, but not limited to warranties of performance, merchantability and fitness for a particular purpose.

The Company will not be liable to You or anyone else for any decision made or action taken in reliance on the information given by the Service or for any consequential, special or similar damages, even if advised of the possibility of such damages.

This article describes how to install Vitextra product to SharePoint On-prem environment with the product installation wizard

⚠ Warning

This guide describes the installation process for Vitextra **farm solutions** in an on-premises environment (SharePoint Server). Installation guide for cloud-based solutions designed for Microsoft 365 (**SharePoint Online, Microsoft Teams**) see following KB article: [Installing Cloud-based Product](#).

Preconditions

SharePoint Services

Before the installation process, please make sure these services are running on the SharePoint Server:

- SharePoint Administration
- SharePoint Timer Service

Required Permissions

To perform the installation procedure, you must have the following permissions and rights:

- Member of the local server's Administrators group
- Member of the Farm Administrators group

Installation package

Download the zip file (*.zip) of the product from the [downloads page](#) and unpack it to the SharePoint Front-End server where the installation process will be performed.

⚠ Warning

Do not install Vitextra .wsp files directly with PowerShell or STSADM.

Installation

Open the folder where you have an installation package and run the Setup.exe file.

 **Note**

If you could not run the setup file, right-click the Setup.exe file and select *Run as administrator*.

Installation wizard will appear as shown below:

Click on **Next** to start the checking process to verify the server meets all the requirements for product installation.

After system check is finished, click **Next**.

List Filter

System Check

Checking if List Filter can be installed

- ✓ SharePoint is installed
- ✓ You have permission to install List Filter
- ✓ SharePoint Administration Service is up and running
- ✓ SharePoint Timer Service is up and running
- ✓ Core Component package presented
- ✓ Core Component not installed
- ✓ List Filter package presented
- ✓ List Filter not installed

All checks succeeded. Please click Next to proceed with the installation

Installation Wizard

Review and accept the End-User License Agreement and click **Next**.

List Filter

End-User License Agreement

Please read the following license agreement carefully

End-User License Agreement ("Agreement")

Please read this End-User License Agreement ("Agreement") carefully before clicking the "I Agree" button, downloading or using the software ("Application").

By clicking the "I Agree" button, downloading or using the Application, you are agreeing to be bound by the terms and conditions of this Agreement.

This Agreement is a legal agreement between you (either an individual or a single entity) and Vitextra SIA and it governs your use of the Application made available to you by Vitextra SIA.

If you do not agree to the terms of this Agreement, do not click on the "I Agree" button and do not download or use the Application.

I accept the terms in the License Agreement
