Activate Product 6

This article describes how to activate Vitextra products offline.

Introduction

All Vitextra on-premises products for SharePoint Server include a free 14-day trial with full functionality. After the trial, you need to activate the product to keep using it. There are two ways to activate:

- Online activation — when your SharePoint server has an internet connection.
- Offline activation — for servers with no internet connection.

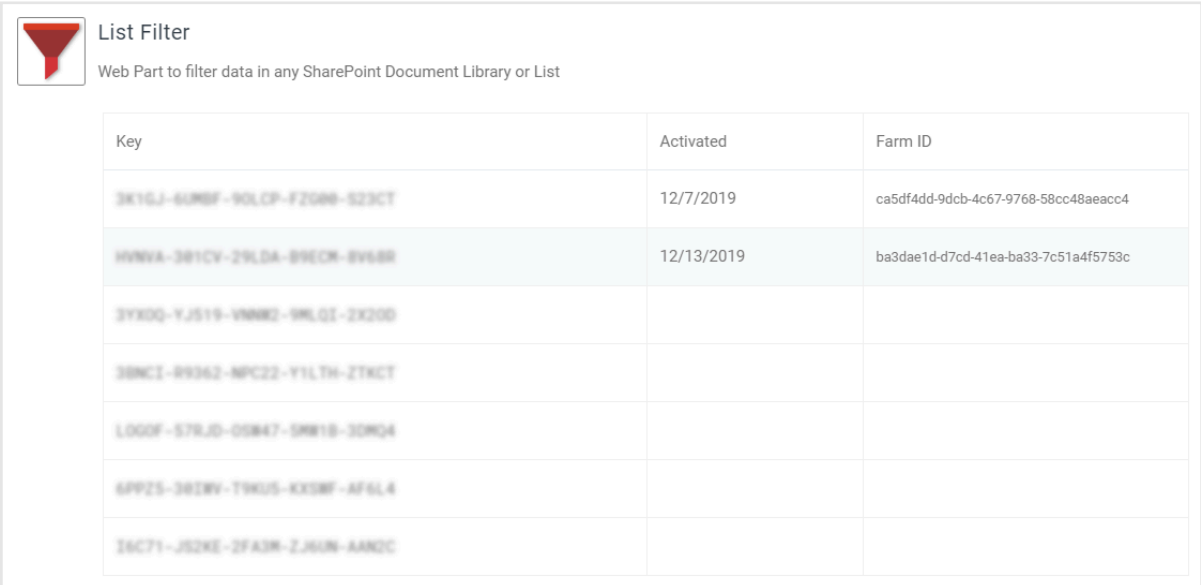
This article describes the offline activation process.

Activation Code

To activate a product offline, you need an activation code. To generate it, provide the activation key of the purchased product and the identifier of your SharePoint farm.

Product Key

Open the My Products page and sign in to view your purchased products and their activation keys.



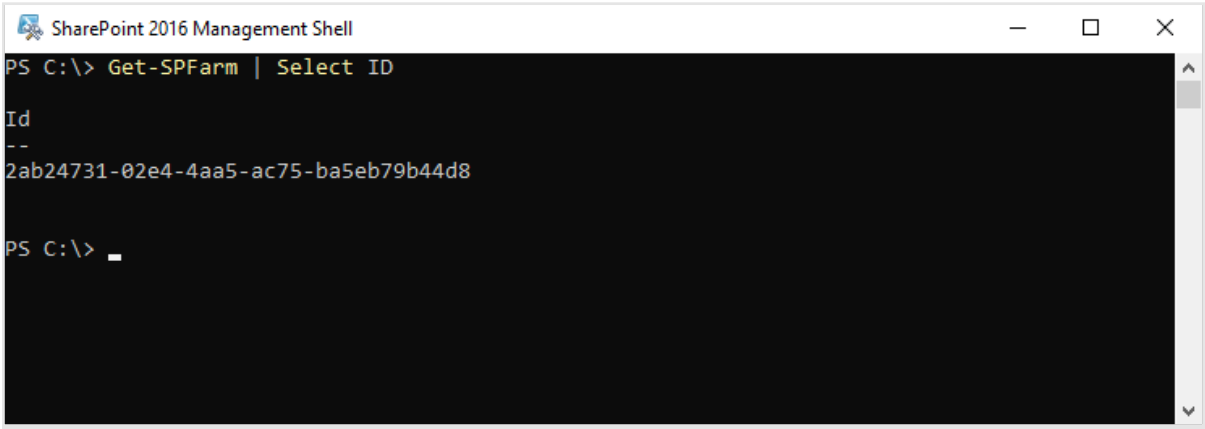
List Of Purchased Vitextra Products

Copy any product key that hasn't been activated yet.

Farm ID

To find your SharePoint farm ID, sign in to any server in your farm, open the **SharePoint Management Shell**, and run the following command:

```
Get-SPFarm | Select ID
```

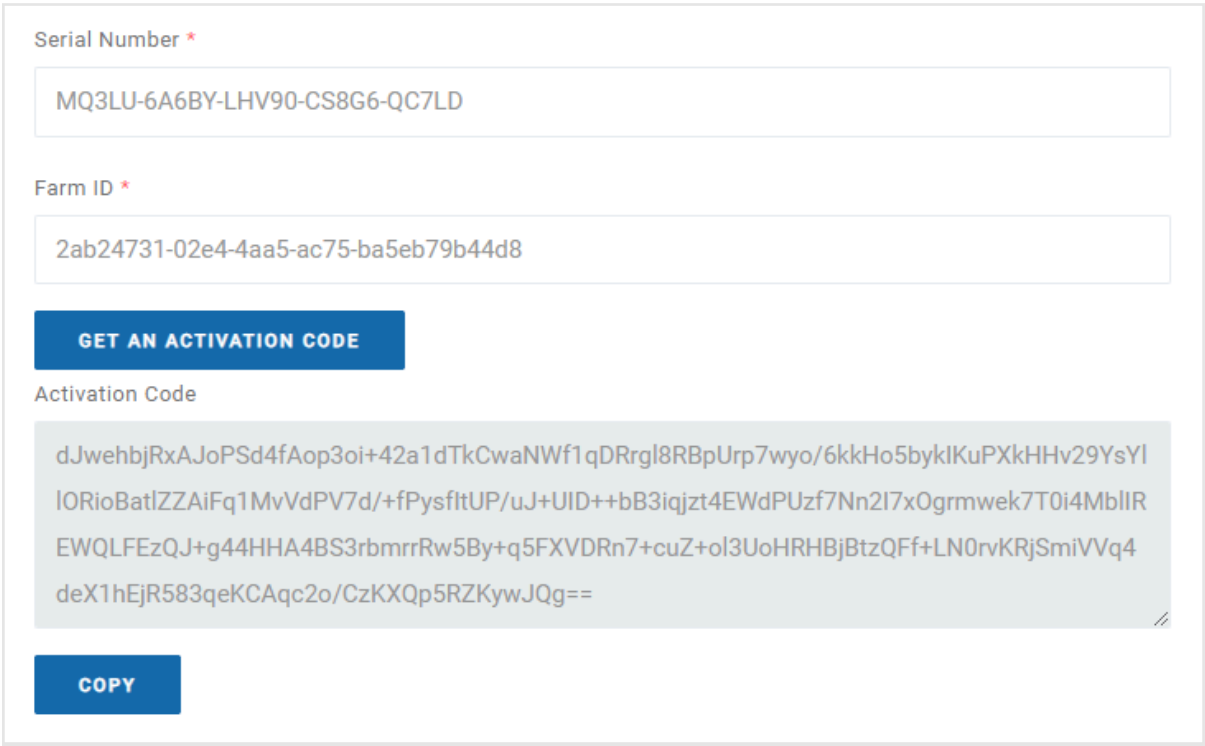


Get-SPFarm cmdlet

Copy the Farm ID.

Generate Activation Code

Open the Offline Activation page, paste the Product Key and Farm ID into the corresponding fields, and click **Get An Activation Code**.

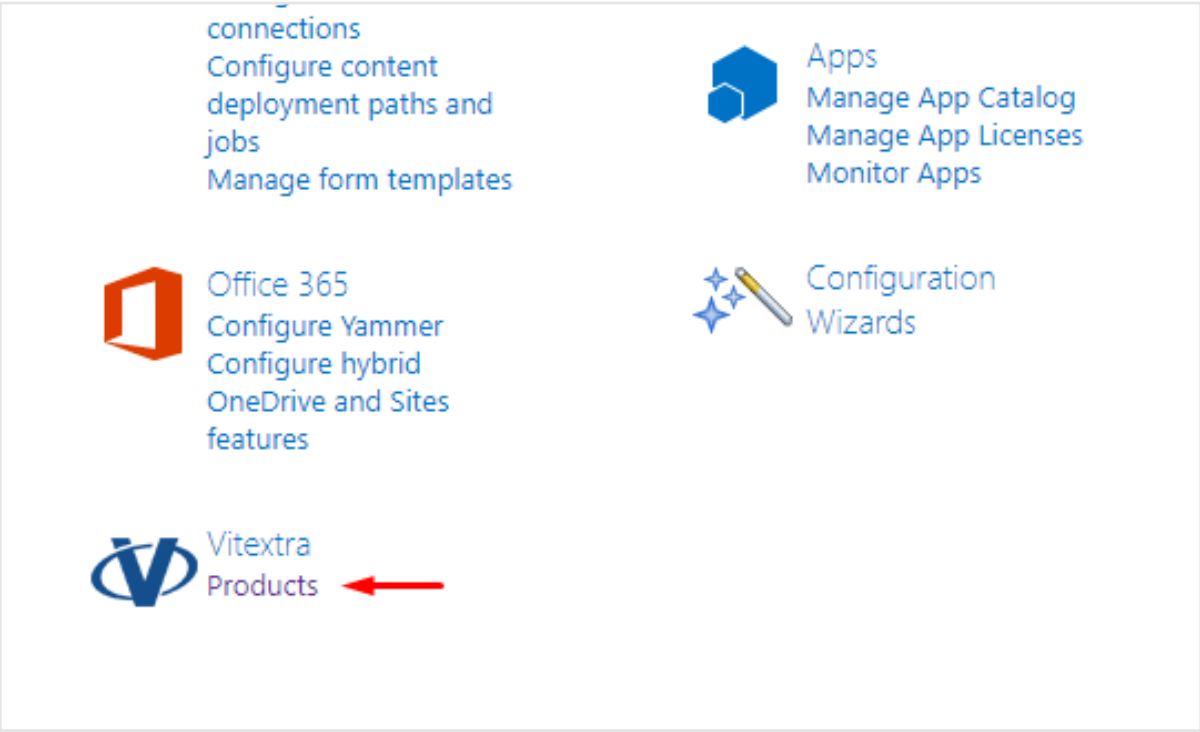


Generate activation code

Copy the generated activation code.

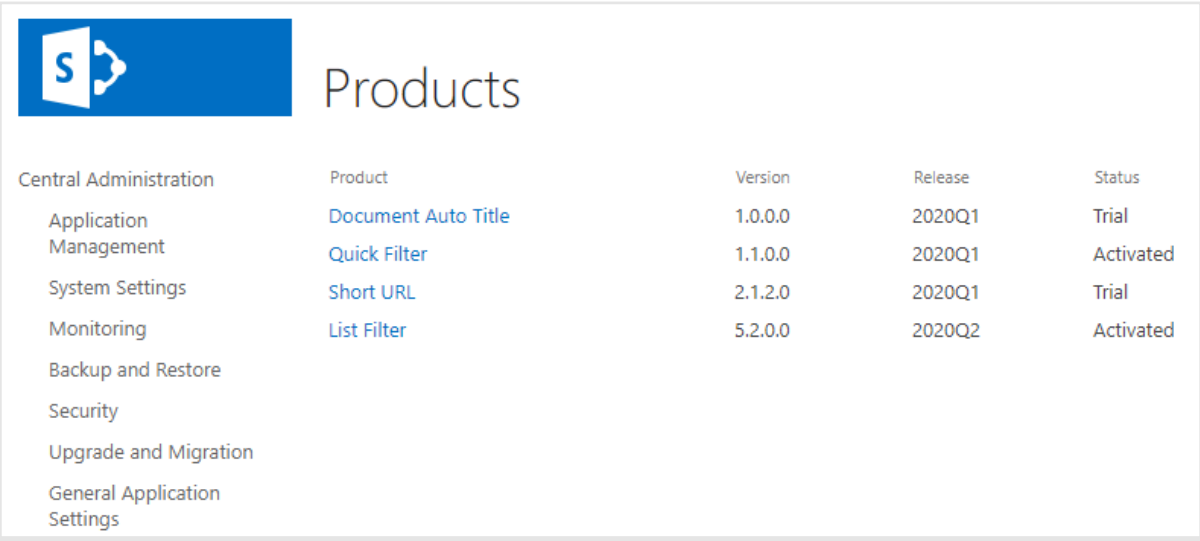
Activate Product

Open SharePoint Central Administration and click **Products** under the Vitextra heading.



SharePoint Central Administration

In the list of installed products, select the product you want to activate:

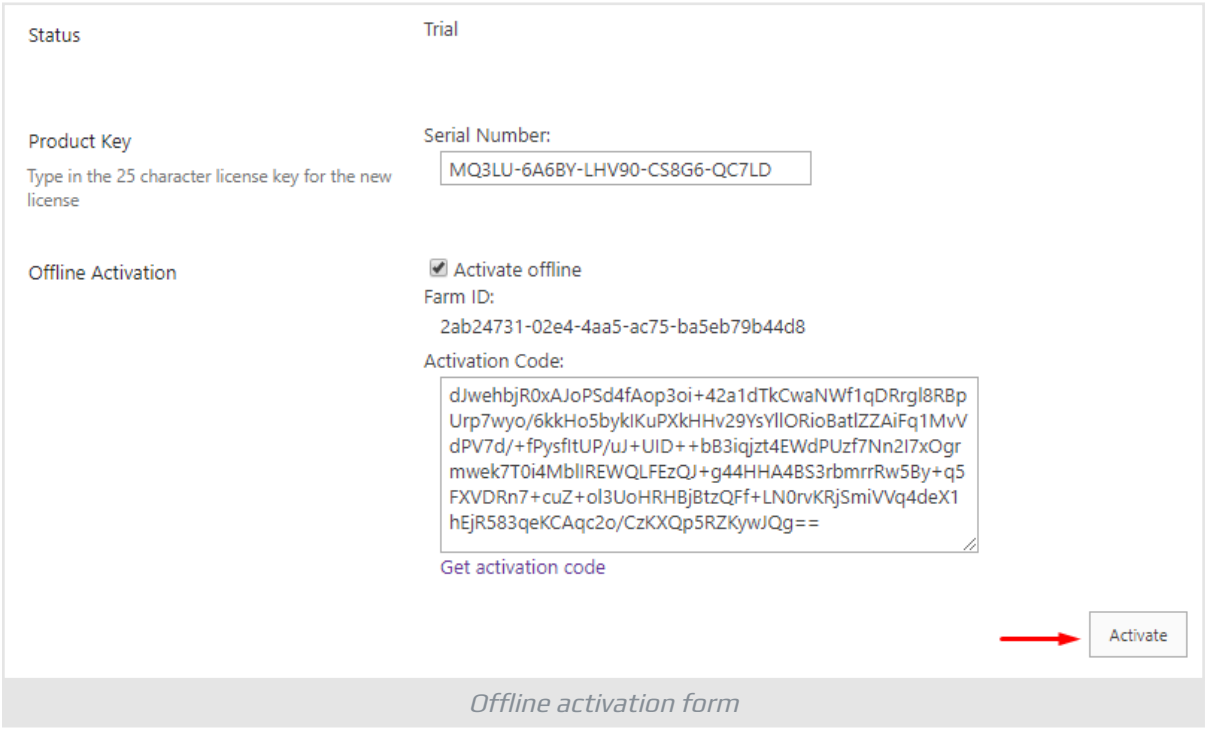


SharePoint Central Administration

On the product page:

1 Paste the product key into the **Product Key** field.
2 Select **Activate Offline**.

3 Paste the generated activation code into the **Activation Code** field.
4 Click **Activate**.



Offline activation form

If activation is successful, the product status automatically changes to **Activated**.
